## **Introduction**

---

This report provides a summarization of the graduate medical education outcomes for the Touro College of Osteopathic Medicine – Harlem campus (TouroCOM-Harlem) beginning with the Graduates of Academic Year 2016-2017 to the current Graduates of Academic Year 2019-2020.

## **Mission Statement**

---

The Touro College of Osteopathic Medicine is committed to training osteopathic physicians with a particular emphasis on practicing medicine in underserved communities.

We value and support public service, research, graduate medical education, and osteopathic clinical service in the community that will strive to improve health outcomes for those we serve.

We will work to educate students through the use of the latest innovative education techniques using summative and formative measures so as to graduate qualified osteopathic physicians.

### *Goals*

1. Graduate qualified osteopathic physicians
2. Promote the practice of medicine in underserved areas
3. Improve health outcomes in the community through public service, research, osteopathic clinical service, and graduate medical education.

The TouroCOM Mission and Goals can be found on the TouroCOM Website: <https://tourocom.touro.edu/about-us/mission--vision/>

## **Methodology**

---

The number of graduates is inclusive of all students that have met the requirements of graduation and are deemed eligible to participate in Graduate Medical Education (GME) by the COM and as approved by the Registrar. The cohort of graduates is defined as those that meet the graduation requirements during the academic year (AY) running from July 1 to June 30 of the given academic year.

The number of graduates not seeking GME is inclusive of those students who did not participate in the match process.

Final placement numbers are as issued from the match reports provided by each match system (the AOA, NRMP, Military, and Other). Match placements are inclusive of those occurring during the given academic year as well as those occurring in subsequent match years. The final match rate is calculated by dividing the number of successfully placed students by the number seeking GME.

Residency positions available in the NYCOMEC OPTI are as reported on the OPTI website [www.nycomec.org](http://www.nycomec.org).

The list of matched programs is provided alphabetically by specialty for the Graduates of Academic Year 2019-2020.

## TouroCOM-Harlem Summary Match Statistics

---

|                   | Graduates<br>AY 2016-17 | Graduates<br>AY 2017-18 | Graduates<br>AY 2018-19 | Graduates<br>AY 2019-20 |
|-------------------|-------------------------|-------------------------|-------------------------|-------------------------|
| # of Graduates    | 133                     | 129                     | 134                     | 139                     |
| # Not seeking GME | 1                       | 0                       | 1                       | 0                       |
| # Seeking GME     | 132                     | 129                     | 133                     | 139                     |
| AOA Match         | 43                      | 36                      | 18                      | ---                     |
| NRMP Match        | 72                      | 86                      | 102                     | 132                     |

| Other Match       | 12                      | 4                       | 10                      | 5                       |
| # Unmatched       | 1                       | 2                       | 2                       | 2                       |
| Final Match Rate  | 99.2%                   | 98.4%                   | 98.5%                   | 98.6%                   |

## **Residencies, Internships, and Fellowships in the NYCOMEC OPTI**

---

TouroCOM is a member of the Osteopathic Postdoctoral Training Institution (OPTI) – the New York Colleges of Osteopathic Medical Education Consortium (NYCOMEC). NYCOMEC is an educational consortium whose membership includes hospitals, skilled-nursing facilities, ambulatory care centers and four medical school sites. NYCOMEC’s services range from full oversight and support of GME programs to select services that augment curriculum and ensure faculty reach their maximum potential.

Available GME positions within the NYCOMEC network can be found within each of the programs listed below under their designated specialties; each specialty is linked to a page with more detailed information for prospective students. Additional information about NYCOMEC, its programs, and how its supports GME can be found at [www.nycomec.org](http://www.nycomec.org).
