Present

Wear Red Day® at TouroCOM – Middletown
WEDNESDAY, FEBRUARY 25, 2015

**American
Heart
Association®**

life is why™

Go Red For Women is nationally sponsored by

Join the American Heart Association's Go Red For Women® movement to help raise awareness and save more lives. You can help in three ways: Wear red, raise your voice about heart disease, and **donate \$5** to support the ongoing research to help save the lives of women across America.

Everyone in the building is encouraged to wear an article of red clothing and bring in at least \$1. We will be posted in the atrium throughout the day and taking a group photo at Noon.
